Hej Kasper,

Det er fint - og til lykke, jeg kommer ind og høre dig!

Med venlig hilsen - With best regards

Erik

Hej Kasper,

I, Jens-Kristian Krogager, hereby accept the statement about co-authorship on the papers "Serendipitous Discovery of a Projected Pair of QSOs Separated by 4.5 arcsec on the Sky" and "Determining the fraction of reddened quasars in COSMOS with multiple selection techniques from X-ray to radio wavelengths".

God fornøjelse med forsvaret.

Mvh

JK

Hi Kasper,

I, Johannes Zabl, accept the statement about co-authorship on the paper entitled "Determining the fraction of reddened quasars in COSMOS with multiple selection techniques from X-ray to radio wavelengths".

Best,  
Johannes

Dear Kasper,

I indeed accept the statement about co-authorship on the paper "Serendipitous Discovery of a Projected Pair of QSOs Separated by 4.5 arcsec on the Sky" published in The Astronomical Journal, Volume 152, Issue 1, in 2016.

With best wishes,  
Maryam Arabsalmani

Hej Kasper,

Her er mail fra Palle - det er nok. Dette mail tæller også som min forfattererklæring. Det er selvsagt ok med mig.

Mvh Johan

Hey Johan,

Det her ser helt fint ud for mig. Jeg underskriver gerne (naar jeg er tilbage paa kontoret).

Hilsner,  
palle

I, Natasha Maddox, accept the statement about co-authorship on the paper "Determining the fraction of reddened quasars in COSMOS with multiple selection techniques from X-ray to radio wavelengths".

Does this mean you have a thesis nearly ready for submission? If so, congratulations!

Cheers,  
Natasha
